

If you are looking for a GAP YEAR where you can...

E

Experience life in a new community or be part of our church community in a new way.

P

Participate in Children's, Youth or Worship ministry in a lively and supportive church.

I

Innovate and get really creative in serving God, and allow time for Him to speak to you about your future.

C

Communicate the gospel, and God's love for others in practical ways whilst deepening your own faith.

We are a church community that loves to learn, grow, worship, eat, serve, pray, chat, try new things, work hard and have fun together. And if that's not enough there's always the post-it note challenge!

You can choose to serve in either our Children's, Youth or Worship ministries, or a combination of 2 areas. There's also the option to spend part of your year overseas.

We'd love to speak to you and talk through your hopes for next year.
