POLICY STATEMENT

1. As members of this church we commit ourselves to the safeguarding of adults at risk and ensuring their well-being in the life of this church.
2. It is the responsibility of each of us to prevent the physical, emotional, sexual, financial and spiritual abuse of adults at risk and to report any such abuse that we discover or suspect.
3. We are dedicated in the pastoral care and support of those who have experienced abuse.
4. We undertake to exercise proper care in the appointment and selection of those who will work with adults at risk.
5. The church is committed to supporting, resourcing and training those who undertake this work.
6. The church adopts the guidelines of the Baptist Union of Great Britain published in **Safe To Belong 2015**. Each staff member and volunteer who works with those defined as Adults at Risk also must commit to reading the following sections of the **Safe to Belong 2015** document:
 - Safeguarding in Context
 - The Safe to Belong Policy
 - Recognising Abuse
 - Types of Abuse
 - How to respond to abuse or concerns
 - Appendix 2 – Table of Abuse Types
7. Each person who works with adults at risk will agree to abide by these recommendations and the guidelines established by Guildford Baptist Church.

Responsible people

8.1 The church has appointed Philippa Rowe and Richard Rowe as the Designated People for Safeguarding, to:

- advise the church on any matters related to the safeguarding of adults at risk
- take the appropriate action when abuse is disclosed, discovered or suspected.
- Collate and keep records on reports of safeguarding concerns

safeguarding@guildfordbaptist.org

Emails will be checked every day.

Please ensure a phone number is included in your email to allow a Designated Person to respond to your concern. The email does not need to contain any details of the concern, just contact details. The details can be discussed over the phone, if this is preferred by the person reporting the concern.

Alternatively, if you don't use email, or don't have access, a name and phone number can be left at the Church Office **01483 575008**, who will contact a Designated Person immediately via email with your contact details.

8.2 Deputy Designated Person for Safeguarding

Karen Case-Green karen.casegreen@guildfordbaptist.org

The deputy is a Church employee and is contactable through the Church office.

8.3 The Elder responsible for safeguarding

Martin Brunet is the elder responsible for Adults at Risk and safeguarding procedures. It is the responsibility of this elder to sign off on agreed policies and procedures and to highlight any concerns appropriately. However, this person has no regular part to play in the procedural aspect of the policies. They can be contacted on martin.brunet@nhs.net

8.4 **Thirtyone:eight** safeguarding helpline

The Safeguarding team will also have access to the **Thirtyone:eight** safeguarding helpline. Thirtyone:eight are an independent Christian charity which helps individuals, organisations, charities, faith and community groups to protect vulnerable people from abuse. The contact number for the helpline is **0303 003 1111**. The Safeguarding team will look to confirm important decisions by the use of advice from this helpline.

RECRUITMENT OF LEADERS AND HELPERS

- 11.1 It is important that these ministries have available to it committed leaders who have a heart for vulnerable adults and who demonstrate a personal and corporate desire to follow God. The procedure outlined in this section have been adopted to ensure good practice in recruitment, and the maintenance of high standards in leadership.
- 11.2 Potential leaders will be identified by the following:
- a) observation of an individual's spiritual life
 - b) observation of an individual's gifts and abilities
 - c) recommendations from those in church leadership
 - d) personal approach to/ from interested party
 - e) if appropriate to ask publicly for volunteers
 - f) ideally known by a group of people in the church or be recommended.
- 11.3 The following steps will be taken with each new person recruited as a volunteer leader and helper, in line with safe recruitment guidelines:
- Application form (Appendix D)
 - Take up verbal references
 - Enhanced DBS check
 - Informal interview with a member of the pastoral team or lead person of the particular ministry
 - Acknowledgement Form (Appendix B)
 - Probation period, ongoing discussions and training

Currently, it is felt that the Church membership process covers some of these steps. Therefore Church members would not be required to provide references, and may not be required to complete an application form. (This is to be decided by the individual ministries, some groups may still find it a useful tool).

During the informal interview, the lead person should have a conversation about whether or not anything is likely to appear on the DBS check. Should further discussions need to take place about anything that could or does arise on a DBS check, the lead person should immediately involve the designated person for safeguarding. Criminal convictions are not necessarily a barrier to working/volunteering at Guildford Baptist Church, but must be disclosed and discussed.

PROCEDURES FOR DEALING WITH ALLEGATIONS OF ABUSE

- 12.1 These guidelines and procedures have been adopted by the Elders, and should be followed by all other staff members and church members/ attendees of Guildford Baptist Church when they are responding to allegations of abuse that arise in the church in the following ways:
- Responding to allegations of abuse raised by a vulnerable adult
 - Responding to concerns felt by a worker, co-ordinator or leader
 - Responding to concerns regarding the inappropriate behaviour of a worker, co-ordinator or leader
 - Responding to concerns for a family who comes to the notice of leaders and workers within the church
 - Responding to concerns for individuals who it is alleged may be putting vulnerable adults at risk.

If such an incidence occurs the following procedure needs to be followed:

- 12.2 The designated person for safeguarding will take ultimate responsibility on behalf of the church, for ensuring that allegations raised by individuals who suspect an adult may be at risk are appropriately dealt with. Everyone has a responsibility to pass on information as deemed necessary to the designated person for safeguarding.
- 12.3 Therefore when an allegation is made to any person with responsibility for adults at risk, they will endeavour to seek as much information as is possible concerning the situation to pass on to the designated person for safeguarding.
- 12.4 Where possible the person reporting the concern should complete a Safeguarding Incident / Concern Form (**in Appendix C**). This form can be completed either before or after a phone call, email exchange or face-to-face discussion takes place with the designated person for Safeguarding. If the incident is considered minor, the person reporting may consider filling out and emailing the form to the Designated Person for Safeguarding without a prior discussion. The form will be kept confidentially by the Designated Person for Safeguarding, who will also take notes from the conversations that take place. The form does not take the place of the expectation of all workers to keep hand-written notes of the incident. Instead it should be regarded as a cataloguing process for the Church's Designated Person for Safeguarding.
- 12.5 Each and every reported concern, however minor they are considered, should be passed to the designated person for safeguarding who will compile safeguarding records for the Church.
- 12.6 These named persons will be responsible for the purpose of this guidance, and will ensure that action is taken when an allegation is made.
Richard and Philippa Rowe
Karen Case-Green

- 12.7 No one individual should be placed in a position to decide and act upon, an allegation without support, or discussion. Only in extreme situations should the designated person for safeguarding, or a deputy, act on his or her own judgement.
- 12.8 An emergency would be one such situation i.e. where a vulnerable adult presents as being in urgent need of protection. In such a circumstance - contact with Social Services or Police should be made.
- 12.9 The procedures should be reviewed by the designated person for safeguarding every year. **This review is due to take place by 31/1/2021.**
- 12.10 All workers and volunteers should read the booklet *Safe to Belong 2015*, which gives very good descriptions of how to work with adults at risk, including definitions of abuse, how to recognise abuse, and how to respond to abuse or concerns.

Designated Person for Safeguarding

- 13.1 The Designated person for safeguarding is someone who has been selected by the Elders of Guildford Baptist Church, who has particular expertise or experience, and can assist in deciding upon appropriate action and the development of an action plan if necessary.
- 13.2 *In all cases it is important to keep information confidential and reduce the circulation of information to as minimal amount of people as possible.*
- 13.3 The diagram in appendix A lays out the procedure for when a disclosure is made.
- 13.4 If an allegation or concern is raised about the designated person for safeguarding or a member of the designated person for safeguarding's family, then the allegation or concern should be raised instead with the elder/trustee responsible for safeguarding. Likewise, if a concern arises that a worker feels uncomfortable for any reason raising with the designated person for safeguarding, the person raising the concern should contact the elder/trustee responsible for safeguarding. This is the same for a deputy also.

The Elder responsible for safeguarding

- 14 At all times there should be one elder/trustee responsible for the safeguarding procedures. It is the responsibility of this elder to sign off on agreed policies and procedures and to highlight any concerns appropriately.

Safe practice and safe premises

15.1 Food Hygiene

Whenever possible at all events involving preparation of food at least one worker will hold a valid Basic Food Hygiene Certificate. The Food Safety (General Food Hygiene) Regulations 1995 state that anyone who handles food or whose actions could affect its safety must comply with the regulations. It follows therefore that those with responsibility for food will need to possess the Basic Food Hygiene Certificate and be aware of food safety (preparation, handling and storage, disposal of waste, etc.)

15.2 Fire

All group leaders must be aware of what to do in case of fire. Full fire evacuation procedures are available in the **GBC Fire Procedures Document**.

15.3 First Aid

There should always be a first aider in the building when working with adults at risk. There are first aid kits available on each floor at the Millmead Centre, and off-site groups should consider having first aid kits available. In the event of an accident, an accident form must be filled in, including for off-site incidents/accidents. The accident report book can be located in the Breakout Area on the first floor. Completed accident forms should be handed to the Operations Manager.

15.4 Risk Assessment

Before undertaking any activity the activity leader will ensure that a risk assessment is carried out and it is advisable to appoint someone specifically for this task.

15.5 Insurance

Insurance details should always be checked with the Operations Manager before any new group is started, or trip out / residential is considered.
